THIS MONTH'S QUICK NEWS

Club Meeting Notes - January 15 2009

Passed 2009 Comprehensive Financial Strategy. Goals of this plan are threefold:

1. The ability to replace the runway when necessary.
2. The ability to make improvements, repairs, and additions to the current site.
3. The ability to meet existing and ongoing financial obligations.

It involves establishing a restricted runway fund starting with \$6000 of current funds. Building on this fund each year with at least a \$1500 contribution. This will allow us to build necessary reserves to fund a runway reconstruction project in the future. The runway assessment will continue indefinitely at \$20/year to fund this reserve account. Special projects and facility improvements will be included in the annual budget.

Passed 2009 Budget

Passed By-laws resolution changing board membership to a total of six members which includes the four elected officers, past president, and member at large. If the past president is elected as an officer than another member at large is elected.

Current Officers for 2009:

President - Karl Watts
Vice Pres - Robert Sox
Treasurer - Dallas Cravens
Secretary - Keith Adams
Member - Brent Knudson
Member - Leonard Young

We still need fun fly directors, please contact Robert Sox to volunteer.

INDOOR FLYING

It would seem that winter has blown in with a force. Good year for snow and cold weather which makes it hard to go out to the field. The great part about today's RC planes are the slow and agile indoor flyers.

These planes allow us to keep up our skills without blazing into the freezing weather. The Treasure Valley Indoor flying schedule is up and Skyview Gym in Nampa is the place to be during the chilled seasons.
